# Product Specification Sheet Wing Halolux Wall Wash Flood

Wing, Selecon's new range of Wall Washer Floods for high quality, efficient illumination of walls and general display lighting.

The Wing 150W Halolux Wall Washer offers lighting designers and specifiers a traditional, tungsten halogen 'warm white' wall wash / flood.

#### Features

Visually even wash of light with high colour rendering to evenly illuminate walls 3m and higher.

Beam edges are well defined but 'soft' allowing adjacent beams to blend together without distracting highlights.

Integrated stylish design with minimal visual impact on the architectural space.

Precision tilt and pan lock off adjustment and reference scale allowing for standardised set up and operation.

Repeatability of performance is guaranteed through the extruded reflector design.

Supplied with 150W Halolux lamp; easy dimming capability.

## Approvals

C-tick, CE.
